EXPERIENCE

Amazon Web Services,
Cloud Support Engineer I. –
Databases
September 2022 - November 2023

Cloud Support Associate –
Databases
September 2021 - September 2022

- Specialized in the MySQL profile including RDS MySQL, Aurora MySQL, Microsoft SQL Server, & Lightsail MySQL engines.

- Mentored fellow engineers on RDS troubleshooting and case comprehension and served in internal responsibilities of reviewing customer–engineer communications

- Published internal documentation and articles teaching use of internal tooling features

PROJECTS

Graphical Programming exploration
https://fpbellow.github.io/FBPortfolio/

- Self study and exploration in recent months into graphic library APIs and shaders from OpenGL to DirectX 11. Notably going through the University of Utah's course provided publicly by Cem Yuksel. You can find examples and progress on my portfolio.
